

Year 7 Nurture Teacher

Full Time - Permanent

Are you a creative and dynamic person who wants to make a real difference in the lives of our young people?

If you are committed to tackling disadvantage and improving every student's wellbeing and life chances then this is the post for you.

We are looking for a Primary Teacher or Nurture Teacher who can develop and deliver our immersive curriculum to a small group of Year 7 pupils.

About Us

Greenfields Academy is a Specialist School for SEMH pupils (Social, Emotional, Mental Health) aged 4 to 16 years.

As a school, we are extremely proud of our curriculum provision that is personalised, aspirational, caring and engaging, whilst still remaining challenging. At Greenfields Academy we provide a holistic, creative and bespoke curriculum tailored to meet the academic and social needs of all our students. The balance of the curriculum is constantly evolving to meet the diverse needs of each individual in our care.

The curriculum is delivered by qualified and experienced staff and as such when you come and visit our school you will see students who are inspired and enthused to learn and are producing work of a very high standard, much of which you will see on display in classrooms and corridors.

To facilitate success for all at Greenfields Academy we strive to embed learning, creativity and skills for life through our use of latest innovations in learning technology and bespoke intervention strategies that impact across all curriculum areas.

We also offer a wide range of accreditation opportunities, which are targeted to enable success. These accreditation opportunities are delivered to pupils in school from Year 9 onward and are all appropriately resourced to take into account all learning needs and delivered within stimulating learning environments that empower students to succeed.

About The Post

Greenfields Academy in Grantham runs a Year 7 nurture programme which focuses on the development of our pupils' social, emotional and mental health through the delivery of an

innovative, integrated, therapeutic curriculum. We are seeking a teacher who is passionate about supporting young people who have often found school a challenge. A teacher who shares our determination to improve our pupils' life chances and give them learning opportunities which stimulate and excite. Our ideal candidate would be an experienced Primary or Nurture Teacher who wants to develop their practice - engaging KS3 children in more dynamic learning.

We are looking for someone who is able to demonstrate the highest quality of teaching, learning and assessment and is able to inspire our students; sharing a passion for learning whilst working closely with our headteacher, our staff, parents/ carers and our students to deliver our strategic vision and help make our ambitious plans for the academy a reality.

What we offer

At Greenfields Academy we can offer you:

- a close and supportive team in a working environment where your wellbeing is a priority
- high quality CPD, strong links to mainstream schools and opportunities for career progression
- an organisation which is values driven and has children at the centre of everything we do
- the freedom to be innovative without the constraints of a mainstream curriculum.

How to apply

Our Academy always welcomes visits from potential applicants. Please get in touch with Denise Selby (School Business Manager) or Karen Smith (Head of School) to arrange a visit or if you are in need any further information.

For an application pack and further details please visit the school website <https://greenfields-cit.co.uk/welcome/> or email denise.selby@greenfields-cit.co.uk

Please email your completed application form, including your personal statement to denise.selby@greenfields-cit.co.uk

Closing date for receipt of applications: 1st April 2019 5pm

Interviews to be held at Greenfields Academy, Grantham on 4th April 2019.

For an informal visit or discussion about the position, please contact,

Karen Smith, Head of School on (01476) 574112

The successful candidates will be subject to an enhanced DBS check.
