

Greenfields Academy – Statutory reports for Primary Physical Education 2020/21

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please see below our statutory reports for:

- National requirements for Swimming at End of Key Stage 2
- Primary PE premium 2020/21

Swimming – End of Key Stage 2 (Year 6)

Swimming is taught throughout the Primary PE curriculum for all pupils. The vast majority of pupils are non-swimmers when they join Greenfields Academy (Y3/4). We aim to narrow-the-gap by Year 6, where parents/carers have permitted pupils to participate in Swimming lessons. However, the impact of C-19 has prevented access to our swimming site (RAF Cranwell) due to its closure and associated school closures. Subsequently no Swimming lessons have been provided within our school curriculum. As a throughout school we are able to facilitate this 'catch-up' in KS3 where an appropriate venue can be sourced.

Meeting national curriculum requirements for swimming and water safety.	% of total cohort
What percentage of your current Year 6 cohort (9) swim competently, confidently and proficiently over a distance of at least 25 metres?	20%
What percentage of your current Year 6 cohort use a range of strokes effectively (Front, Back, Breast)?	10%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Not in 2020/21 but this will be required in 2021/22 within the Covid-Recovery plan for Swimming

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.
