

**English** – Pupils will explore different genres throughout fiction. Developing their skills of structure, language and presentation when creating their own written pieces.

**Computing**- Pupils will design graphics using vector graphic editing software. By the end of the unit learners will have produced an illustration, a logo, or some icons using vector graphics.

**History** – Pupils will begin again in summer 1 due to lesson rotation.

**Music** – Pupils will begin again in Summer 1 due to lesson rotation.

**Religious education** – *Pupils will learn about how people react when life gets hard. Focusing on Christian beliefs and how these impact their reaction to difficult times.*

**Physical Education** - Pupils will be developing their abilities within net and wall games (Badminton) and learning what it takes to be successful.

**PSHE & British Values** - Pupils will explore the importance of consent. As well as looking at stereotypical gender roles.

Stapleford

Term 4 Provision map

**RSE** - Pupils will explore their own feelings and responsibilities within their lives.

**Outdoor Education** - Pupils will partake in horse riding. Focusing on basics, encouraging progression and how to look after the horses.

**Maths** - Pupils will explore fractions, decimals & percentages and perimeter & area. As well as exploring statistics.

**Science** - Pupils will research and explore the circulatory and digestive system of the human body.

**Geography** – Pupils will explore global population trends and discover reasons for population increase and decrease. Students will observe the issues of this through fieldwork.

**Art & Technology** – Pupils will explore where their food comes from and create a three-course meal. As well as creating a course inspired by our thematic of France.

**Modern Foreign Languages** - Pupils will look at how to describe the weather in French.
