Dear Andy Rush,

(*)	Indicates the results table reflects the outcome of a review

(+)	Indicates that special consideration has been granted (see GOV.UK for further guidance)
(!)	Indicates that there is a known issue with this result – if you need further information, please contact the national curriculum assessments helpline on 0300 303 3013

If special consideration has been granted, it will be flagged in the 'Notes' column by a '+' symbol. The scaled score reported on the Primary Assessment Gateway will show if the pupil met the expected standard in the test before special consideration was applied.

Requests for reviews

Throughout the marking process we put a number of quality assurance measures in place to check that markers are correctly applying the mark scheme. If a school believes that a mark scheme has not been applied correctly, or a clerical error has occurred, they may apply for a marking review.

Requests for reviews must follow the procedures in the [guidance on GOV.UK](#).

Schools must make review applications in the 'View and download KS2 results' section of the Primary Assessment Gateway. The application section is open from Tuesday 8 July until midnight on Friday 18 July.

If you have any further queries, please contact the national curriculum assessments helpline on 0300 303 3013.

Yours faithfully,

Standards and Testing Agency
