

Areas of Learning

- English:** Explanation texts & recounts
- Maths:** Fractions, Measure & Money
- Science:** Light
- History:** History of Areoplane's
- Geography:** Mountain Ranges
- RE:** Local Community Worldviews
- Art:** Landscapes
- Computing:** Desktop Publishing
- Technology:** Structures that can fly
- PE:** Net & Wall Games
- MFL:** In a French Classroom
- PSHE:** Health & Wellbeing
- Music:** Pitch

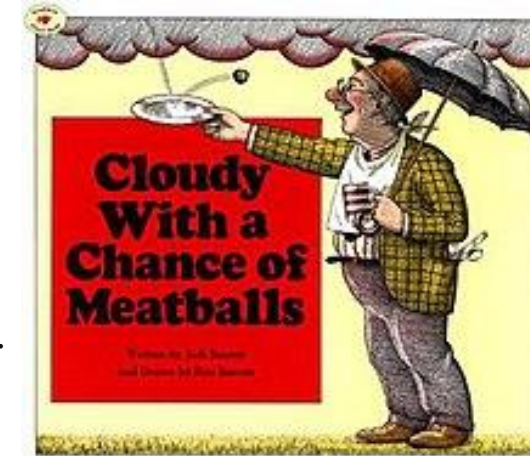

Colwick Provision Map Weeks – 22-26

Educational Visits

- Friday 6th March – Swimming
- Wednesday 11th March – Wheelchair sports
- Thursday 12th March – Football

Text: Cloudy With a Chance of Meatballs

The tiny town of Chewandswallow was very much like any other tiny town—except for its weather which came three times a day, at breakfast, lunch, and dinner. But it never rained rain and it never snowed snow and it never blew just wind. It rained things like soup and juice. It snowed things like mashed potatoes. And sometimes the wind blew in storms of hamburgers. Life for the townspeople was delicious until the weather took a turn for the worse. The food got larger and larger and so did the portions. Chewandswallow was plagued by damaging floods and storms of huge food. The town was a mess and the people feared for their lives.

Curiosity & Knowledge

- English:** Pupils will learn about instructional texts, important features of a sentence and further explore narratives.
- Maths:** Pupils will learn about fractions, length height and perimeter and money
- Science:** Pupils will be investigating many aspects of transport by conducting experiments and linking knowledge to the wider world.
- Computing:** Pupils will learn all about digital photography.

Explore & Make

- Geography:** Pupils will learn about the seas surrounding the UK, coastal areas of Britain and the local coast.
- History:** Pupils will learn about timelines and Latin explorers.
- Art & Design:** Children will create coastal landscapes in art,
- MFL:** Pupils will further explore the French language, learning about hobbies and holidays.
- Music:** Pupils will learn about pulse and rhythm through a variety of composers and perform their own ostinato performance.
- RE:** Pupils will learn about Judaism and Jewish celebrations.
- Technology:** Children will learn how to make mechanical toys.

Health & Me

- PSHE:** Pupils will be discussing issues around racism, prejudice and discrimination.
- Outdoor Education:** The class will be visiting various outdoor locations to explore and play.
- PE:** Pupils will be learning about and developing their tennis skills through understanding different shot selection and the rules of the game. We will be continuing our swimming lessons at Melton swimming pool, building on our swimming technique and confidence
- Emotional Intelligence:** Pupils will learn how to respond thoughtfully to emotional situations, specifically looking at how to handle disagreements.
- Citizenship:** Pupils will learn how to maintain privacy and security whilst online.
