

Areas of Learning

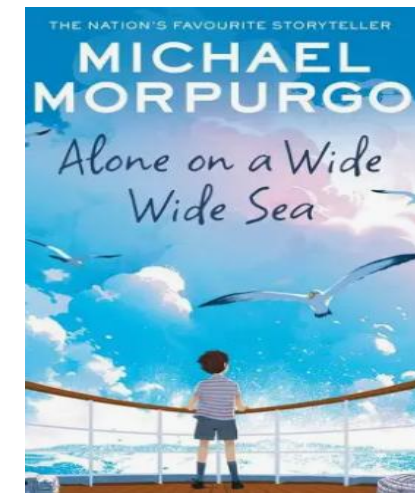

-  **English: Discussions & biography**
-  **Maths: place value**
-  **Science: Gas exchange & speed**
-  **History: Humans in space**
-  **Geography: Oceans**
-  **RE: Worldview**
-  **Art: aboriginal dreams**
-  **Technology: boomerangs**
-  **PE: cricket and rounders**
-  **MFL: Visiting France**
-  **PSHE: Relationships**
-  **Music: 20th music**

Pinewood Provision Map Weeks 32-38

Text:

During World War II, a shy boy named Willie is evacuated from London to the countryside, where he stays with the kind but lonely Tom Oakley. As Willie slowly recovers from a troubled past, the two form a strong and life-changing bond. The story shows how friendship and care can bring hope even in difficult times

Educational Visits

- Outdoor ed = orienteering
- Skegness = oceans
- Rutland water
- Woolsthorpe house

Curiosity & Knowledge

-  Pupils will discuss how kindness and guidance in *Alone on a Wide, Wide Sea* help shape Arthur's confidence, resilience, and sense of belonging.
