Propaganda
War
Conflict
Morality
Sacrifice

Text:

The pupils will be looking at poetry by Wilfred Owen and Siegfried Sassoon, before moving on to the novel Eleven Eleven. Eleven Eleven is a gripping World War One novel set on 11 November 1918, the final day of the war. The story follows several characters as they face the dangers of battle, knowing that the fighting is due to end at 11 a.m. The book explores courage, fear, friendship and the tragedy of war, creating plenty of suspense as the characters try to survive until the Armistice.

Curiosity & Knowledge

- English: Pupils will compare poetry. Pupils will understand why war propaganda was used and analyse different poems and aspects of them.
- Maths: Pupils will explore working scales and ratios, understanding how to represent and interpret data.
- Science: Pupils will look at nutrition and the importance of a balanced diet and exercise.
- Computing: Pupils will modify shapes, vectors and lines using graphics software. Pupils will create their own images and develop a project.

Explore & Make

- Geography: Pupils will learn to understand why rivers are important and how water flows into them.
- History: Pupils will examine the reformation and peasants' revolt. Pupils will interpret who won, Catholics or Protestants.
- Art & Design: Pupils will use observational drawing skills with a range of objects
- MFL: Pupils will begin to explore the French language and particularly French nouns and adjectives
- Music: Pupils will identify the use of body percussion creating musical rhythms and simple tunes.
- RE: Pupils will look at Sikhism and explore why and how different religions express their beliefs in a number of different ways.
- Technology: Pupils will study prototype design and construct a clock from its components.

Health & Me

- PSHE: Pupils will gain an understanding of health and wellbeing, considering nutrition, risk-taking, and online safety.
- Outdoor Education: Pupils develop ice-skating skills through practical activities, focusing on balance, coordination, movement, confidence and safe participation.
- PE: Pupils explore health, fitness and physiology through a range of physical activities, developing their understanding of body systems, fitness components
- Emotional Intelligence: Emotional vocabulary and intensity, focusing on emotional literacy.
- Citizenship: Pupils explore self-image, identity and online relationships, developing their understanding of self-worth, respect, healthy communication and staying safe online.
