

Areas of Learning

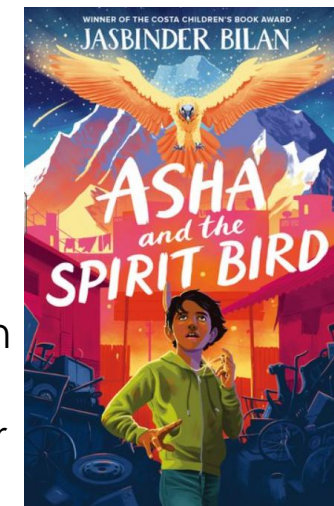

-  **English:** Explanation Texts
-  **Maths:** Place Value / Add & Subtract
-  **Science:** Forces / Space
-  **History:** Anglo Saxons
-  **Geography:** Fieldwork
-  **RE:** Worship
-  **Art:** I Need Space
-  **Computing:** Systems & Networks
-  **Technology:** Processes & Code
-  **PE:** Invasion Games
-  **MFL:** Nouns
-  **PSHE:** Living in the Wider World
-  **Music:** Pulse

Colwick Provision Map Weeks – 1-7

Asha and the Spirit Bird

Asha lives in the foothills of the Himalayas. Money is tight and she misses her papa who works in the city. When he suddenly stops sending his wages, a ruthless moneylender ransacks their home and her mother talks of leaving. From her den in the mango tree, Asha makes a pact with her best friend, Jeevan, to find her father and make things right. But the journey is dangerous: they must cross the world's highest mountains and face hunger, tiredness – even snow leopards. And yet, Asha has the unshakeable sense that the spirit bird of her grandmother – her nanijee – is watching over her ...

Educational Visits

Geography Fieldwork Trip –
Grantham 25.09.2026

Outdoor Education:

Curiosity & Knowledge

-  **English:** We will be learning about a range of non-fiction texts, including the features of non-chronological reports using them to write a report about Bengal Tigers.
-  **Maths:** We are going to focus on recalling our place value knowledge for numbers to a million and use it to help us with our formal addition and subtraction.
-  **Science:** During our science lessons, we will carry out a range of fair test investigations that explore forces, friction, gravity and air resistance.
-  **Computing:** Computing lessons will be focused on understanding how search engines work, including the development of online search engines throughout history.

Explore & Make

-  **Geography:** In our Geography lessons, we will be picking an enquiry question based of issues within our local community and using fieldwork to explore our chosen issue.
-  **History:** In History, are going to be learning about the Anglo-Saxons including how long they ruled for, what their lives were like and how their rule came to an end.
-  **Art & Design:** In Art, we will learn about how textures and tone impact a piece of art as well as the use of negative space.
-  **MFL:** In French, we are going to be identifying a range of French words that are similar to English as well as the importance of masculine and feminine words and sounds.
-  **Music:** Music lessons will include learning about the pulse and tempo within songs, listening to, comparing and appraising a range of music.
-  **RE:** In RE, we are going to explore different types of worship, including collective and individual and how this can include the 5 senses.
-  **Technology:** Our Technology lessons will focus on our every day lives, including how technology is used daily and the processes technology uses in order to function correctly.

Health & Me

-  **PSHE:** In PSHE, we are going to be focusing on our impact on the Wider World and everyday health and safety including hygiene, healthy habits, unhealthy habits and positive life choices.
-  **Outdoor Education:**
-  **PE:** Our PE lessons will revolve around a range of invasion games such as football and basketball, where we will focus on tackling, dribbling and passing techniques.
-  **Emotional Intelligence:** This block, we are going to focus on the four main emotion zones, identifying which emotions fit into which category and how each emotion is different for everyone.
-  **Citizenship:** This block will focus on E-Safety, specifically the awareness of online risks, what they are, how to identify them and what to do when one appears whilst using an online service.
