Grizedale
Weeks – 8 - 14

Areas of Learning

- English: scripts
- Maths: quadrants
- Science: fluids
- History: English civil war
- Geography: Asias changes
- RE: belonging
- Art: urban art
- Computing: layers of systems
- Technology: boats
- PE: Netball
- MFL: A table
- PSHE: health & wellbeing
- Music: baroque

Text:

The pupils will be looking at poetry by Wilfred Owen and Siegfried Sassoon, before moving on to the novel Eleven Eleven. Eleven Eleven is a gripping World War One novel set on 11 November 1918, the final day of the war. The story follows several characters as they face the dangers of battle, knowing that the fighting is due to end at 11 a.m. The book explores courage, fear, friendship and the tragedy of war, creating plenty of suspense as the characters try to survive until the Armistice.

Educational Visits

Newark War Museum

We'll meet again Museum

Curiosity & Knowledge

Communities

English: pupils will develop their understanding of the characters, themes and key events through reading and discussion.

Math's: Pupils will develop their skills in plotting, reading and interpreting coordinates across all four quadrants.
